- i. Applicants should possess a Bachelor's degree, Higher National Diploma (HND) or equivalent qualification from a recognized University

M.Sc/ PhD Economics

- i. Candidates must possess at least Second Class Lower Division Honours degree in Economics from Gombe State University or any recognized University
- ii. Candidates with good Second Class Lower Division Honours degree in Economics Education from Gombe State University or any other recognized University may be considered
- iii. For PhD a good M.Sc in Economics

M.A/PhD English Language

- i. Candidates must possess at least Second Class Lower Division Honours degree in English from Gombe State University or any recognized University
- ii. Candidates with good Second Class Lower Division Honours degree in English Education from Gombe State University or any other recognized University may be considered
- iii. For PhD a good M.A in English Language

MA/PhD English Literature

- i. Candidates must possess at least Second Class Lower Division Honours degree in English Literature from Gombe State University or any recognized University
- ii. Candidates with good Second Class Lower Division Honours degree in English Literature Education from Gombe State University or any other recognized University may be considered
- iii. For PhD a good M.A in English Literature

M.A/PhD History

- i. Candidates must possess at least Second Class Lower Division Honours degree in History from Gombe State University or any recognized University
- ii. Candidates with good Second Class Lower Division Honours degree in History Education from Gombe State University or any other recognized University may be considered
- iii. For PhD a good M.A in History

M.A/ PhD Christian Religious Studies

- i. Candidates must possess at least Second Class Lower Division Honours degree in Christian Religious Studies from Gombe State University or any recognized University
- ii. Candidates with good Second Class Lower Division Honours degree in Christian Religious Studies Education from Gombe State University or any other recognized University may be considered
- iii. For PhD a good MA in Christian Religious Studies

MA/ PhD Islamic Religious Studies

- i. Candidates must possess at least Second Class Lower Division Honours degree in Islamic Religious Studies from Gombe State University or any recognized University
- ii. Candidates with good Second Class Lower Division Honours degree in Islamic Religious Studies Education from Gombe State University or any other recognized University may be considered
- iii. For PhD a good MA in Islamic Religious Studies

M.Sc/ PhD International Relations

- i. Candidates must possess at least Second Class Lower Division Honours degree in International Relations or Political Science from Gombe State University or any recognized University
- ii. Candidates with good Second Class Lower Division Honours degree in any related field from Gombe State University or any other recognized University may be considered
- iii. For PhD a good M Sc in International Relations

MSc/PhD Peace and Conflict Studies

- i. Candidates must possess at least Second Class Lower Division Honours degree in Peace and Conflict Studies or Political Science from Gombe State University or any recognized University
- ii. Candidates with good Second Class Lower Division Honours degree in related field from Gombe State University or any other recognized University may be considered
- iii. For PhD a good M Sc in Peace and Conflict Studies

M.Sc/ PhD Political Science

- i. Candidates must possess at least Second Class lower Division Honours degree in Political Science from Gombe State University or any recognized University
- ii. Candidates with good Second Class Lower Division Honours degree in Political Science Education from Gombe State University or any other recognized University may be considered
- iii. For PhD a good M.Sc in Political Science

Postgraduate Diploma in Public Administration (PGDPA)

- i. Applicants should possess a Bachelors degree, Higher National Diploma (HND) or equivalent qualification from a recognized University

M.Sc/ PhD Public Administration

- i. Applicant should possess a degree in Public Administration, Political Science and International Relation from Gombe State University or any other recognized University with a minimum of Second nags Lower Division
- ii. For PhD a good M.Sc in Public Administration

M.Sc/ PhD Sociology

- i. Candidates must possess at least Second Class Lower Division Honours degree in Sociology from Gombe State University or any recognized University
- ii. Candidates with good Second Class Lower Division Honours degree in Sociology Education from Gombe State University or any other recognized University may be considered
- iii. For PhD a good M.Sc in Sociology

Postgraduate Diploma in Biochemistry (PGDBC)

- i. The minimum qualification is Third Class Honours degree in Biochemistry, Biochemistry Education, Biochemistry, Pharmacy, Chemical Engineering, Food Science or a Pass at Credit Level at HND in Science Laboratory Technology or any other equivalent qualification approved by the Senate of the Gombe State University

M.Sc/ PhD Biochemistry

- i. Applicants should possess a Bachelors degree in Biochemistry from Gombe State University or any other recognized University with a minimum of Second Class Lower Honours degree
- ii. Candidates with Third Class Honours degree in Biochemistry or HND and PGD in Biochemistry may also be considered
- iii. For PhD a good M.Sc in Biochemistry

M.Sc/ PhD Environmental Biology

- i. Applicant should possess a minimum of Second Class Lower degree in Biology or any related field from Gombe State University or any other recognized University
- ii. For PhD a good M.Sc in Environmental Biology

M.Sc/ Ph D Applied Parasitology & Entomology

- i. Candidate should possess a minimum of Second Class Lower Division degree in Zoology, or related field from Gombe State University or any recognized University
- ii. For PhD a good M.Sc in Applied Parasitology & Entomology

M.Sc/ Ph D Hydrobiology & Fisheries

- i. Applicant should possess a minimum of Second Class Lower Division degree in Biology, or related field from Gombe State University or any recognized University
- ii. For PhD a good M.Sc in Hydrobiology & Fisheries

M.Sc/ PhD Botany (Ecology)

- i. Candidate should possess a minimum of Second Class Lower Division degree in Botany, or related field from Gombe State University or any recognized University
- ii. For PhD a good M.Sc in Botany

M.Sc/ PhD Botany (Plant Physiology)

- i. Candidate should possess a minimum of Second Class Lower Division degree in Botany, or related field from Gombe State University or any recognized University
- ii. For PhD a good M.Sc in Botany

Postgraduate Diploma in Chemistry

- i. The minimum qualification is Third Class Honours degree in Chemistry, Chemistry Education, Biochemistry, Pharmacy, Chemical Engineering, Food Science or a Pass at Credit Level at HND in Science Laboratory Technology or any other equivalent qualification approved by the Senate of the Gombe State University

M.Sc/ PhD Organic/Inorganic Chemistry

- i. Applicants should possess a Bachelors degree in Chemistry from Gombe State University or any other recognized University with a minimum of Second Class Lower Honours degree
- ii. Candidates with good Second Class Honours B.Sc (Ed) Chemistry may be considered but would be required to take Undergraduate Courses they may be deficient
- iii. Candidates with Third Class Honours degree in Chemistry or B.Sc (Ed) Chemistry or HND and PGD in Chemistry may also be considered
- iv. For PhD a good MSc in Organic or Inorganic Chemistry

Postgraduate Diploma in Computer Science (PGDCS)

- i. The minimum qualification is Third Class Honours degree in Computer Science, Computer Science Education, or a Pass at Credit Level at HND, and any other equivalent qualification approved by the Senate of the Gombe State University

M.Sc/ PhD Computer Science

- i. Applicants should possess a Bachelors degree in Computer Science from Gombe State University or any other recognized University with a minimum of Second Class Lower Honours degree
- ii. Candidates with good Second Class Honours B.Sc (Ed) Computer Science may be considered but would be required to take Undergraduate Courses they may be deficient
- iii. Candidates with Third Class Honours degree in Computer Science or B.Sc (Ed) Computer Science or HND and PGD in Computer Science may also be considered
- iv. For PhD a good M.Sc in Computer Science

Postgraduate Diploma in Environmental Management (PGDEM)

- i. The minimum qualification is Third Class Honours degree in Geography or a Pass at Credit Level at HND in any other equivalent qualification approved by the Senate of the Gombe State University

Master in Environmental Management (MEM)

- i. A degree in Geography from Gombe State University or any recognized University with minimum of Second Class Lower Division
- ii. Applicant with Bachelors degree in related field, HND with a Postgraduate Diploma at Credit Level
- iii. Applicant with a Postgraduate Diploma in relevant field may be considered

M.Sc/PhD Geography

- i. Applicants should possess a Bachelors degree in Geography from Gombe State University or any other recognized University with a minimum of Second Class Lower Honours degree
- ii. Candidates with good Second Class Honours B.Sc (Ed) Geography may be considered but would be required to take Undergraduate Courses they may be deficient
- iii. Candidates with Third Class Honours degree in Geography or B.Sc (Ed) Geography or HND and PGD in Geography may also be considered
- iv. For PhD a good M.Sc in Geography

MSc/PhD Microbiology

- i. Applicants should possess a Bachelors degree in Microbiology from Gombe State University or any other recognized University with a minimum of Second Class Lower Honours degree
- ii. Candidates with Third Class Honours degree in Geography or B.Sc (Ed) Microbiology or HND and PGD in Microbiology may also be considered
- iii. For PhD a good M.Sc in Microbiology

M.Sc/ PhD Physics

- i. Candidate should posse a minimum of Second Class Lower Honours degree in Physics or good B.Sc (Ed) Physics with Second Class Lower Division from Gombe State University or any recognized University
- ii. For PhD a good M.Sc in Physics

Postgraduate Diploma in Education (PGDE)

i. To be considered for admission all prospective candidates must have a minimum of a Bachelor degree or HND Upper Credit in their Teaching subject

M.Ed/PhD Educational Psychology

i. Applicants with Bachelors Degree Honours in Education obtained at not less than Second Class Lower Division from Gombe State University or any other recognized University

ii. Higher National Diploma (HND) holder may be considered provided that such applicants possess Postgraduate Diploma in Education obtained at not less than credit level

iii. For PhD a good M Ed in Psychology

M.Ed/ PhD Guidance & Counseling

i. Applicants with Bachelors Degree in Education obtained at not less than Second Class Lower Division from Gombe State University or any other recognized University

ii. Candidates with a Bachelor degree plus PGDE may be considered

iii. Applicants with a Third Class Honours degree in Education with a minimum of Five years Teaching Experience

iv. Higher National Diploma (HND) holders may be considered provided that such applicant posses Postgraduate Diploma in Education obtained at not less than credit level

v. For PhD a good M.Ed in Guidance and Counseling

M.Ed/ PhD Science Education

- i. Possession of a Bachelor Honours Degree (B.Sc (Ed.), B.Ed or equivalent) in Biology, Chemistry, Physics, Geography and Integrated Science, obtained at not less than Second Class Lower Division from Gombe State University or any other recognized University.
- ii. Possession of a Bachelor Honours Degree (B.Sc or equivalent) in relevant science disciplines provided that the degree is obtained at not less than Second Class Lower Division from Gombe State University or any other recognized University. In addition, candidates must possess PGDE at not less than credit level obtained from Gombe State University or any other recognized Institution.
- iii. HND Holders in relevant fields and not below credit level may be considered, provided that such applicants possess PGDE, obtained at not less than credit level from Gombe State University or any other recognized Institution.
- iv. Applicant with Third Class B.Sc (Ed), B.Ed and B.Sc Honours Degree or equivalent in Biology, Chemistry, Physic, Geography and Integrated Science and possess PGDE not below credit level from Gombe State University or any other recognized Institution, may be considered, provided that such candidates have acquired not less than five (5) years post qualification experience
- v. For PhD a good M.Ed in Science Education
